Dear Sir,

I am applying for a home loan with HDFC Ltd.,. But I would like to inform you that I am in the process of finalising the property. But parallelly I request you to sanction me a loan based on my credit worthiness. I do understand that once I select the property and produce the property papers, disbursement will happen only subject to Legal and Technical clearance (after technical team's visit to the property) by HDFC LTD.

Thanking you
